

My Special Acrostic

Make an acrostic to remind you of your word and how you plan to live it out!

Here's an Idea!

Try these ideas to help you come up with words for your acrostic.

- Words that relate to your word
- Actions you can take to live out your word
- People who inspire you to live out your word

Here's what we came up with!

Acrostic Example

If your word is "kind", you could use the letters K-I-N-D to make an acrostic, like this!

Did you know?

An acrostic can be a poem, a puzzle, or just a group of words. You make an acrostic by starting with one word and using the letters in that word to help make new words. If you play games like Scrabble or Bananagrams, you are playing with acrostics!
