M	— —	Z	— — • •

Did you know?

- Morse Code is a way to communicate that uses dots and dashes for letters.

- It was most often used with light or sound signals, with long and short flashes or beeps for the dashes and dots.

- The letters with simple codes, like one dash or one dot, are used more often than the letters with complex codes.

My Special Word is....

_____

My Special Word in Morse Code is....

_____

Here's an idea!

To play a fun guessing game, take turns spelling positive words in Morse code for your friends. Stomp for the dots and clap for the dashes.
